**Specialties: Trial and appeal of patent, trade secret and other high technology cases.**

Founded by a group of skilled and experienced patent litigation attorneys, CCVL also has extensive experience in successfully advising and navigating clients through complex business disputes before litigation becomes necessary. Through proactive, far-sighted business strategies, CCVL wins disputes before they arise. In the pre-litigation area, CCVL specializes in: developing client-specific business plans to enforce and license patent portfolios; negotiating licenses; conducting patent infringement and validity studies; and developing patent procurement and patent prosecution strategies.
