

## CARLSON, CASPERS, VANDENBURGH & LINDQUIST

### Knowledge, Expertise, Service

CARLSON, CASPERS, VANDENBURGH & LINDQUIST, experienced in intellectual property, counsels sophisticated clients on patent, trademark, copyright, trade secret, high-technology and pharmaceutical cases. It helps clients successfully navigate complex disputes before litigation becomes necessary.

Alan Carlson has 37 years of experience handling intellectual property cases for plaintiffs and defendants. He's also the first Minnesota patent lawyer to become a fellow of the American College of Trial Lawyers.

Phil Caspers has brought keen business and legal perspectives to patent disputes for more than 20 years. A veteran of over 100 patent battles, Caspers strategically solves complex disputes for clients.

Derek Vandenburg is the appellate lawyer of choice for intellectual property. He has litigated cases involving patents, trade secrets, design patents and trademark disputes. He clerked at the U.S. Court of Appeals for the Federal Circuit.

Jeff Ali litigates patent disputes, primarily in the

pharmaceutical arts. His pharmacy degree and past experience as a pharmacist equips him to represent some of the world's largest generic drug companies in ANDA patent litigation.

Dennis Bremer concentrates on patent and trade secret litigation. With his electrical engineering and computer science background, Bremer handles a broad range of matters including magnetics, semiconductors, telecommunications, aerospace and agriculture.

Tim Lindquist handles all phases of patent litigation. He counsels clients in patent disputes and also manages disputes in informal forums such as mediation and arbitration. He is a former federal circuit law clerk.

CCVL invites patent-savvy companies to discover why clients entrust the firm with their most coveted technology. Whether you require counsel to avoid litigation or need to litigate your case, you could not select a more experienced team.
